This letter is in response to your letter dated March 29, 2006. In your letter, you asked us to clarify payments made to the DSCC and the Nevada Democratic Party. You wanted to confirm that we were charged the usual and normal fee for services rendered. Our rent payment is figured by taking the base rent that the NV Democratic Party is charged for the entire office space and divided by our portion of that space. We then pay that same percentage of the utilities. The payment made to the DSCC was for fax service. They simply charge a set fee per fax(.06). The list rental is based on an industry standard \$95 per 1000 names.
